

Prayer for the sick.

Lord God, You have told us through your apostle James:
"is there anyone sick among you?
Let him call to the elders of the Church,
and let them pray over him
and anoint him in the name of the Lord.
This prayer, made in faith, will save the sick man.
The Lord will restore his health,
and if he has committed any sins,
they will be forgiven."
Gathered here in your name,
we ask you to listen to the prayer we make in faith:
in your love and kindness,
protect our brother (sister) N. in his (her) illness (and all
the sick here present.)
Lead us all to the peace and joy of your kingdom
where you will live for ever and ever,
Amen.

I am a Roman Catholic.
While a patient in hospital, I wish to exercise my Human Rights, as enshrined in the European Convention of Human Rights (Article 9\$1) of practising my Religion.
I request that my denomination as RC be recorded on the Patients List that is made available to the RC Chaplain so that I can receive a visit from him.
I give explicit consent for this information to be made available to the Roman Catholic Chaplain and I would request that this document form part of my personal case notes.
