Santa is looking for a new suit! "I would like a new suit, made to measure, this may seem extreme I appreciate however due to the amount of visits I now do, all of which are charity events, church, school etc. I need something more versatile. I've asked about (church included) for any volunteers to make a bespoke suit (including waistcoat) to no avail. Would it be possible to stick something in the bulletin as a request for any seamstress or Tailor to help? As it's for charity I'd like to keep the cost to a minimum or free would be amazing." From Santa.

Cameras: As most of you know I help teach photography in Queen Margaret's and St Ninian's. I have a decent collection of old film and digital cameras, some of which still work. If anyone has any cameras or other photography equipment that they no longer use and aren't looking to rehome through ebay, I would be happy to add it to my growing collection and hopefully find a use for in one of the schools.

“ All this was a long time ago, I remember,
And I would do it again, but set down
This set down
This: were we led all that way for
Birth or Death? There was a Birth, certainly,
We had evidence and no doubt. I had seen birth and death,
But had thought they were different; this Birth was
Hard and bitter agony for us, like Death, our death.
We returned to our places, these Kingdoms,
But no longer at ease here, in the old dispensation,
With an alien people clutching their gods.
I should be glad of another death.”

T.S. Eliot "Journey of the Magi"
